

AIDIMME. METAL-PROCESSING, FURNITURE, WOOD AND PACKAGING TECHNOLOGY INSTITUTE

CERTIFIES:

That a third-party verification has been carried out of the documentation provided by the company CLADES COMPOSITES, SL, regarding the percentage of recycled material in the products:

- BP-140
- BP-130
- BP-120
- BP-100
- BP-090
- CONCENTRATED FILLER

The documentation studied has been:

- Self-certificates of material supplying companies
- Third-party certificates of the materials supplied
- Formulation provided by CLADES of the various products covered by this certificate

The following percentages of recycled material have been obtained, depending on the product:

Product	Percentage of recycled material	Origin
BP-140	Between 97%-100%	Post-consumer and Pre-consumer
BP-130	Between 97%-100%	Post-consumer and Pre-consumer
BP-120	Between 97%-100%	Post-consumer and Pre-consumer
BP-100	Between 97%-100%	Post-consumer and Pre-consumer
BP-090	Between 97%-100%	Post-consumer and Pre-consumer
CONCENTRATED FILLER	Between 97%-100%	Post-consumer and Pre-consumer

Hereby, for the record and for the appropriate purposes where applicable, this document is signed in Paterna, on the 3rd of September 2024.

Dra. Rosa M^a Pérez Campos
Head of Materials and Products.Department
AIDIMME

Note: Certificate valid for 3 years from the time of signature or until any change in the formulation.
